

CONFIDENTIALITY STATEMENT OF AGREEMENT

I, _____, agree to adhere to the following policies of Nurture and Nature Children's Center. I understand the importance of confidentiality and the integral effect that confidentiality has on client and volunteer safety as well as the ability of the agency to best serve people that see our services.

I agree to keep all client information within the confines of the agency. Unless a client has given Nurture and Nature Children's Center permission in writing to release information to a specific person or agency, I will discuss clients and cases only with other Nurture and Nature Children's Center volunteers and staff, only if necessary and appropriate. I will NEVER publicly acknowledge that a person has or had contact in any way with the agency.

I agree to keep confidential the names of other volunteers unless I have clear permission to publicly acknowledge their connections with the agency. I agree to keep personal information about other volunteers and staff confidential.

I understand that as a member of this agency, I may be privileged to information that is not public knowledge. I agree to respect the confidentiality of this information.
